

NIMA™

DESIGNED BY GIANCARLO PIRETTI

Nima's patented articulating back mechanism and other components are discrete and minimized, letting the chair's elegance be the design statement.

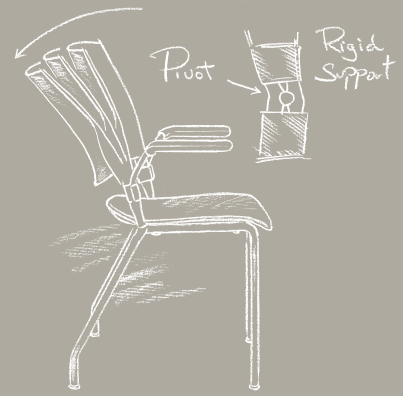

"It is comfortable. Words are not strong enough – you have to try the chair!"

Giancarlo Piretti

The Man Behind the Flex

American Seating, a leader in innovative seating solutions for 129 years, previews a new family of chairs developed in collaboration with iconic designer Giancarlo Piretti. Giancarlo has been a leader and innovator for many years as well. The latest creation stemming from Giancarlo's research and design, the *Nima* chair, capitalizes on a vision for superior comfort with an elegant style.

NIMA
DESIGNED BY GIANCA LO PIRETTI

Nima's desk, bar, and counter height seating allow multi-tiered classroom configurations, giving teachers and students better line-of-sight.

Shown with *Rely* rectangle tables

Class Act

Paired with the *Rely*® table, markerboard, and lectern, the *Nima*™ chair provides everything a classroom needs.

Common Spaces

Nima is an inspiring multipurpose chair that provides exceptional comfort through a sophisticated minimalist aesthetic.

Shown with *Rely* cafe round and square tables

A Versatile Line

Choose from a wide array of styles, options and finishes. The chair family offers stacking, mobility, and even fixed options, providing end-users and specifiers the flexibility to reconfigure their spaces as needed.
